OPEN HOUSE *of*

ACADEMIC SESSION 24-25 & CHITRA BHOOMI

Open House & Chitrabhoomi – A
Celebration of Community, Creativity &
Connection (March 25, 2024)

“Art speaks where words are unable to explain.” –
Mathiole

The final Open House of the 2024–25 academic year was more than an event—it was a heartfelt gathering of the G D Goenka family. Designed to offer a glimpse into our unique educational environment, it welcomed parents, guardians, and community members with open arms and open minds.

Guests explored our vibrant campus, engaged with our passionate educators, and discovered how we blend academic excellence with emotional and creative growth. Conversations flowed freely, ideas were exchanged, and trust was deepened—a true reflection of the collaborative spirit we value so deeply at GD Goenka Bhubaneswar.

Adding colour and soul to the day was 'Chitrabhoomi', our much-awaited art exhibition.

A visual symphony created by our young artists, Chitrabhoomi celebrated the beauty of nature through vibrant hues, textures, and themes. Students poured their hearts onto canvases, capturing the awe and wonder of the natural world, interpreted through a lens of imagination and individuality. Visitors wandered through a world of brushstrokes, feeling both grounded and uplifted.

It was not just an exhibition—it was an invitation to slow down, to see, and to feel.

ORIENTATION *and*

The New Academic Session - Stepping Boldly Into 2025

"Every new beginning comes from some other beginning's end." — Seneca

The start of a new academic session is always a moment of anticipation, excitement, and endless possibilities. On April 7, 2025, G D Goenka Bhubaneswar unfurled a fresh chapter of learning, growth, and discovery, embracing students, parents, and educators with warmth and vision. The orientation day wasn't merely a formality—it was a celebration of new journeys. From **LKG to Grade - X**, students walked in with dreams in their eyes, while parents entrusted us once again with their greatest treasures. Faculty members, ever dedicated, stood ready to nurture, guide, and inspire.

The tone for the year was set early: a commitment to not only achieve academic milestones but to explore beyond the curriculum, **to question fearlessly, to create boldly, and to grow holistically.** The session promises innovation, deeper learning experiences, and a community that learns together with heart and mind.

SUMMER SCAPE 2025

(10 Days of Joy, Discovery & Holistic Fun)

May 6–16, 2025

"Children learn as they play. Most importantly, in play, children learn how to learn." — O. Fred Donaldson

What do you get when you combine summer, nature, creativity, and a campus full of enthusiastic learners? You get Summer Scape 2025—a ten-day festival of fun, discovery, and joy!

From May 6 to 16, GD Goenka Bhubaneswar transformed into a haven of hands-on exploration, offering a perfect blend of activity, learning, and wellness. Children from LKG to Grade 8 came together not just to attend, but to experience and enjoy every moment.

Set amidst the school's green campus, surrounded by trees and fresh air, children participated in an array of engaging activities—from pottery to sports, culinary sessions to dance, and from drama to music. Each moment was curated to encourage collaboration, creativity, physical health, and emotional well-being.

But more than just developing skills, Summer Scape helped students build confidence, form friendships, and experience the joy of learning outside the classroom. It proved that when the pressure of exams fades, children bloom in ways we can hardly imagine.

ADVENTURES THAT INSPIRE GROWTH

Grade - IX & X Students Excursion

"The world is a book, and those who do not travel read only one page." — Saint Augustine

On a sunlit day full of anticipation, Grade-IX & X students set out on an excursion that was both educational and energising. Their destination? The iconic **Konark Sun Temple**, a UNESCO World Heritage site, followed by an engaging movie experience featuring the historical epic **Chhava**.

The goal was not just recreation—it was transformation. Students walked through the corridors of history, experienced the grandeur of ancient Indian architecture, and connected with our cultural heritage firsthand. The cinematic journey added another layer of learning, helping students understand valour, resilience, and leadership in a compelling narrative format.

More than just a trip, it was an opportunity to reflect, bond, with their peers and teachers and grow. Through teamwork activities, nature exploration, and informal discussions, students discovered life lessons outside the classroom: teamwork, leadership, responsibility, and the value of shared experiences.
